UTILITY SERVICE AGREEMENT

The following are requirements and customer responsibilities for utility services:

1. Only the Public Utilities District personnel are authorized for collecting trash from the approved containers at residences that have entered into this Agreement.
2. The customer is responsible for any damage or loss of a container due to their negligence and shall be liable to the Pyramid Lake Paiute Tribe for this damage, except reasonable wear is expected. Removal of the containers from the residence is not allowed unless authorized by the Public Utilities District.
3. Mixing of solid waste and hazardous waste is NOT permitted in the containers. If hazardous wastes are suspected, then the container will not be collected and the customer will be notified.
4. On scheduled pickup days, the container must be accessible, placed within 8 feet of the roadway, and 3 feet away from other objects. The wheels of the container should point toward the residence (arrows on the cart should point toward the street).
5. Drivers will not move improperly placed containers for garbage collection.
6. Garbage materials should be bagged and placed inside the garbage bin. Loose garbage creates litter and can easily be scattered all over the roadway.
7. Excessive trash must be placed in closed bags and placed next to the container only on scheduled pickup days, limit of two bags.
8. Bulky items, such as furniture, household appliances, tree or rubbish clippings are not allowed.
9. Service will not be provided on major holidays or when extreme weather conditions persist. In these instances, service will be provided the following day as scheduled.
10. The established service fees for garbage services are \$15.00 per month for Residential customers and \$10.00 per month for Elder (*60 years of age and over*) and Disability customers
11. Homeowners are ultimately responsible for all charges regardless of tenant's occupancy. *PLPT PUD Billing and Collection Policy, Chapter 3, Section 3.2-Customer Responsibilities.*
12. The consumer agrees to adhere to all rules and regulations indicated in the Pyramid Lake Paiute Tribe Solid Waste, and Billing and Collection Policy.

I have read and/or agree to the rules and consumer responsibilities. My signature indicates my acknowledgement that if any portion of this agreement is not met, garbage services could be interrupted until a resolution is reached between all parties.
